"66-1-4.9. DEFINITIONS.--As used in the Motor Vehicle
Code:

A. "implement of husbandry" means every vehicle
that is designed for agricultural purposes and exclusively
used by the owner in the conduct of agricultural operations;

B. "international registration plan" means the
registration reciprocity agreement among the contiguous states
of the United States, the District of Columbia and provinces
of Canada providing for payment of apportionable fees on the
basis of total distance operated in all jurisdictions. The
international registration plan is a method of registering
fleets of vehicles that travel in two or more member
jurisdictions and complies with the federal Intermodal Surface
Transportation and Efficiency Act of 1991;

C. "intersection" means:

(1) the area embraced within the
prolongation or connection of the lateral curb lines or, if
none, then the lateral boundary lines of the roadways of two
highways that join one another at, or approximately at, right
angles, or the area within which vehicles traveling upon
different highways joining at any other angle may come in
conflict; and

(2) where a highway includes two roadways
thirty feet or more apart, every crossing of each roadway of
that divided highway by an intersecting highway shall be
regarded as a separate intersection; in the event that the
intersecting highway also includes two roadways thirty feet or
more apart, every crossing of two roadways of those highways
shall be regarded as a separate intersection;

D. "inventory", when referring to a vehicle
dealer, means a vehicle held for sale or lease in the ordinary
course of business, the cost of which is used in calculating
the dealer's cost of goods sold for federal income tax
purposes; and

E. "jurisdiction", without modification, means
"state".

SECTION 2. Section 66-3-1.1 NMSA 1978 (being Laws 1978,

"66-3-1.1. MOTOR CARRIERS REQUIRED TO REGISTER WITH THE
DEPARTMENT.--

A. All motor carriers desiring and eligible for
annual registration provisions relating to the international
registration plan shall register their vehicles with the
department. The department shall register all motor carriers
who satisfy all New Mexico requirements relating to motor
carriers, but may refuse to register any vehicle subject to
the federal heavy vehicle use tax imposed by Section 4481 of
the United States Internal Revenue Code of 1986 without proof
of payment of such tax in the form prescribed by the secretary
of the treasury of the United States. Registration of motor
carrier vehicles with the department shall remain in force
during the calendar registration year as specified in Section
66-3-2.1 NMSA 1978 unless suspended or canceled by the
department for noncompliance with any New Mexico motor vehicle
or motor carrier requirements.

3. In addition to the provisions of Subsection A
of this section, motor carriers operating vehicles subject to
the weight distance tax pursuant to the Weight Distance Tax
Act or vehicles subject to special fuel user permit

A. Any owner, except an owner of a one-way rental
fleet, may, in lieu of registration of vehicles under the
provisions of Sections 66-6-3 and 66-6-4 NMSA 1978, register
for operation in this state by filing an application with the
division that shall contain the following information and such
other information pertinent to vehicle registration as the

reporting period by the motor vehicles in the fleet during
that year; and

(2) a description and identification of each
motor vehicle of the fleet that is to be operated in this
state during the registration year for which international
registration plan registration is requested.

B. The application for each carrier shall be
supported, at the time and in the manner required by the
division, by a fee payment computed as follows:
(1) divide the sum of in-state miles by total international registration plan registered vehicle miles;

(2) determine the total amount necessary under Sections 66-6-3 and 66-6-4 NMSA 1978 to register each vehicle for which international registration plan registration is requested, based on the regular annual fees or applicable fees for the unexpired portion of the registration year; and

(3) multiply the sum obtained under Paragraph (2) of this subsection by the fraction obtained under Paragraph (1) of this subsection."

The registration card shall bear upon its face information required by the division to identify it as a qualified registered vehicle under the international registration plan and other information required by law and
regulation and shall be carried in the vehicle at all times.

3. Vehicles so registered and identified shall be
demed to be fully registered in this state for any type of
movement or operation, provided that all other state
requirements have been met."

SECTION 6. Section 66-3-2.3 NMSA 1978 (being Laws 1972,
Chapter 7, Section 35, as amended) is amended to read:

"66-3-2.3. FULL RECIPROCITY REGISTRATION--

registration under the international registration plan
extended by Sections 66-3-2.1 through 66-3-2.10 NMSA 1978 or

Upon request of the division, the
owner shall make the records available to the division at the
owner's office for audit as to accuracy of computation and
